Mini March Concerts

We're excited to do something a bit different for music during the month of March. Each Wednesday at 9:15 we'll have a guest musician visit and teach us a bit about the instrument they play and share a mini concert with us in the church sanctuary.

Discovery Field Trips

- **3 year classes**— Friday, March 29
The children will leave on the bus at 9:30 to visit the pond at the Chastain family's property. During the month of March, the three year students will be learning about the pond habitat, so the teachers will have special discovery activities planned for them while at the park. Parents, please let teachers know if you wish to join them there.
- **K Class**— Thursday, March 21. The K students will continue their monthly study at Cherokee Lake. **Wednesday, March 27**
The K class will leave at noon to visit Nesmith Nursery as they will be studying gardening in Science this month.

Celebrating Dr. Seuss with Mom!

It's a special event for moms, grandmas, or friends. Come to the Youth Activities Center to enjoy some fun activities centered around the wonderful stories of Dr. Seuss. The Bookshelf will also be hosting a book fair, so this is a great time to purchase books for your child or as gifts for Easter and birthdays.
