What we're learning:

May is a time to review many of the things that we have learned throughout the year. We will be extra busy as we wrap up our year and get ready for the end of our school year program.

Practice, Practice, Practice: Beginning Monday, May 3 at 9:00, we will begin practicing for the end of the year program. It is very important that children arrive at school on time, so they can all participate in our practices. Thanks for your help with this.

End of Year Program May 19th

For each of our programs this year we will be able to accommodate 2 guest per child. There will be socially distant seating in pairs for each child; please do not move the chairs. We will need to adhere to 2 guest per child to allow a socially distant safe environment.

- 2 year End of the Year Program at 9:15
- 3 year & PreK End of the Year Program 10:15

Videos for sale: There will be a table set up at the program to order this video for \$20. Your video may be picked up at the main church office approximately two weeks after the program
